1. The following is an examiner's statement of reasons for allowance:

The primary reason for allowance is the claim recitation setting forth the device as comprising a generally rectangular screen, two mutually parallel rigid stiles located upon the perimeter of the screen, two mutually parallel rigid rails perpendicular to the stiles and located upon the perimeter of the screen, two or more first elbows having a hollow first end to receive the rail and a first spring within the first end, a hollow second end perpendicular to the first end to receive the stile and a second spring within the second end, one or more second elbows having a hollow first end to receive the rail and a first spring within the first end, a hollow second end perpendicular to the first end to receive the stile and a second spring within the second end, whereby the stiles and the rails connect to the first elbows and the second elbows around the perimeter of the screen, all of which is not disclosed nor fairly suggested by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to David M. Purol at telephone number (571) 272-6833.
